THE WINNING RECIPE

Submitted by
Mrs. Alleyne Conn, Appomattox Hall, Hopewell, Va.

LEMON MERINGUE PIE.

1 cup of sugar. Juice of 2 small lemons or 1 egg. 3 tablespoons cornstarch. 1 cup boiling water. 1 teaspoon melted butter.

Mix sugar and cornstarch, add boiling water slowly and cook until clear. Add melted butter, beaten egg yolks and lemon. Cook about three minutes longer and set aside to cool.

Line a pie plate with pastry made by rule given below: Prick with fork and bake to a light brown. Whip egg whites very stiff, adding a few drops of lemon juice and two tablespoons of powdered sugar. Fill pie crust with lemon mixture and spread with stiff egg white. Brown quickly in oven. If you use a gas stove, it will brown beautifully in the broiler part just under the flame.

Pastry Rule.

One measuring cup of flour, four tablespoons of lard, half teaspoon of salt, ice water. Use half the lard and mix with flour and salt. Add ice water enough to moisten. Roll dough and spread with lard. Fold and roll again. Do this till the last two spoons of lard have been used and you will have a nice flaky crust enough for two pies.

The recipe submitted by Mrs. Conn is best because it has no baking powder in pastry, which is of high quality. The filling is a splendid combination and economical and the method of preparing is very good. The meringue has exactly the right amount of sugar to make the right consistency.

EMMA V. MONDY, Editor.

A great many recipes were excellent, with maybe just one little fault, as, for instance, baking powder in pastry, baking powder in meringue, too much sugar in meringue, too much corn starch in filling, method of preparing filling, too hot an oven, etc.

E. V. M.
